ParkviewRegional.com

In 2025, the Parkview Regional Hospital team did what it has done for more than six decades – provide high-quality healthcare services to the many friends, family members, and neighbors who call the Mexia area home. And to ensure we continue this for generations to come, we invested in our facility and medical equipment, recruited important providers, and continued building upon our culture of quality, patient-centered care.

One offshoot of our efforts was well-deserved: leading healthcare advocate Chartis honored Parkview Regional with two 2025 Performance Leadership Awards – one for Quality and one for Patient Perspective.

Another offshoot of our work, as detailed in this 2025 Community Benefit Report, is our important impact on the broader community's health and well-being. We contribute to the vitality of Freestone, Hill, Leon, and Limestone counties as a large employer and taxpayer, as a provider of charitable and uncompensated healthcare services, and as a supporter of local organizations with a similar mission of bettering the communities around them.

As you view the details of this report, I'd like to extend our thanks to all in the Mexia area who choose Parkview Regional for their healthcare needs. Your support and partnership make it possible for us to continue to best serve our patients, our team members, and our community.

Sincerely,

Doug Holzbog, Market CEO
Parkview Regional Hospital

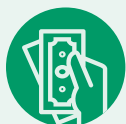

In 2025, we...

added **4 affiliated providers**

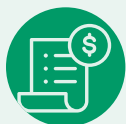

made more than **\$1 million**
in capital improvements

distributed a **payroll of more**
than \$9 million to 116 employees

donated more than **\$14 million**
in services to those in need

paid more than **\$1.8 million**
in taxes

2025 Success Spotlight

Recruiting skilled clinicians to our hospital and community and supporting them in their new roles is critical to ensuring access to high-quality care across a broad spectrum of services. In 2025, we added 4 affiliated providers in areas that included Family Medicine, Orthopedics, and Urology.

Investments in our facilities – from infrastructure to the latest healthcare technology – ensure that our hospital can continue to meet the community's evolving healthcare needs. Last year, we spent more than \$1 million on capital improvements, including a new 3D mammography system, a new ultrasound system, and a new fire alarm system.

Our greatest asset is our people. We aspire to create an environment where talent is recognized, job satisfaction is valued, and our employees can effectively use their skills to provide high-quality care and service.

In 2025, we provided more than \$14 million in services to those in need of healthcare but without the means to pay.

We are proud to be an important partner to the Mexia area as a healthcare provider, as a significant taxpayer and employer, and as an ardent supporter of local organizations that also serve the region.

SPONSORSHIPS AND DONATIONS

It was our pleasure to support several activities and organizations during the past year, including the following:

- » Faith Academy
- » Fairfield Booster Club
- » Freestone County Go Texan
- » Lone Star Soccer Association
- » Mexia Chamber of Commerce
- » Mexia Lions Club
- » Mexia Rotary Club
